RE: Andrew Burton Howell

As ordered by Your Honor at his sentencing, the Probation Office has attempted to place Mr. Howell into Synergy Drug Abuse Program. However, this officer was advised by Daria Ellis of the Synergy Drug Abuse Treatment Program that Mr. Howell does not meet the requirements for admission based on his criminal record. In an effort to address Mr. Howell's drug treatment needs, Mr. Howell has been referred and accepted into the residential drug treatment program at New Directions. In light of Mr. Howell's ineligibility to participate in the program at Synergy as deemed by the Court, the Probation Office would ask that Mr. Howell's conditions be amended to substitute intensive outpatient and/or residential treatment at the direction of the Probation Office in lieu of his placement into the Synergy program. If Your Honor is in agreement with this recommendation the appropriate paperwork is attached.
